**JASMIN**  
TOBACCO TÛTÛN A.Ş

Jasmin Tobacco Company guarantees the highest service quality and business expertise in the tobacco industry.

Our company produces high quality hookah tobacco under ARYEN TOBACCO & MITYA TOBACCO brand. We take great pride in this brand name that we built with the experience of our professional team.

Especially in the selection of flavors and raw tobacco, the best quality products on market have been selected by our expert team to ensure higher quality on the finished product.

Our recently designed GROUP company is in production in total area of 30,00 m2 in Istanbul / Silivri (15,000 m2 indoors and 15,000 m2 open area) with its state-of-the-art production line for hookah charcoal from coconut shell and hookah tobacco.

Unlike such facilities where manpower is greatly needed for packaging and filling stages, our factory is working with full automation system as much as possible where accuracy is the most important to keep the consistency.

We have managed to export to many countries around the world and has aimed to be the leader of the sector in customer satisfaction and product quality. Our R&D team is always ready to serve you the best quality flavors.
